TOWN HARDWICK WATER SYSTEM
SERVICE AREA AND
CONNECTION POLICY

The municipal water system service area is limited to the area as described herein:

1. Locations within the Urban Compact.
2. Mackville Road to the public beach.
3. Atkins Lane.
4. Stratton Road to 244 Stratton Road.
5. From Mackville Road to 244 Carey Road.
6. State Route 14 South including Buffalo Mountain Road and to the shutoff directly across Vermont Route 14 South from 368 Route 14 South.

*The Town does not maintain any of the waterlines to any locations on the westerly side of Vermont Route 14 South beyond the shutoff at the limits of the Urban Compact.

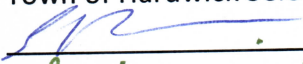

CONNECTION POLICY

Any applicant, who wants to connect to the water system within the confines of the service areas outlined above, must submit a completed application to the Town for approval by the Select Board.

All new connections require a \$500.00 connection fee paid prior to connection to the Town water system. All new connections must have an inline back flow preventer or check valve installed prior to the water being turned on. All new connections must have a water meter installed in accord to the specifications of the Town including a system for remote reading. All costs will be borne by the property owner.

Connection policy revised and adopted April 18, 2013.
