Regarding the community outreach for the Municipal plan, members are done soliciting feedback. Board discussed the process. The possibility of an electronic version next time was mentioned. The questionnaire needed a time to be completed by residents. Some people felt that they did not have the time to answer the questions when asked. Jim left surveys at the Co-op but no one returned questions there or at the Town Offices.

Kristen will contact Shawn and Cynthia and retrieve their responses. All answers will be tabulated for the next meeting. The board will have the updated data sets and the 2014 version of the Town Plan. Work will begin on the actual updating and editing of Town Plan.

East Hardwick hosted a community gathering on May 6th at the Grange Hall. Their Village Center Designation application will be reviewed by the state of Vermont in June.

The next HPC meeting will be on June 12, 2018.

The motion to adjourn was made by Ken Davis and seconded by Joyce Mandeville. All were in favor.

Board adjourned at 7:30 pm.

Respectfully submitted, Kristen Leahy, ZA
