The committee and she agreed to have a cookout and star gazing party at Mackville Pond on July 27th 2019 at 6:00pm. The rescheduled date will be August 3rd 2019 if the weather does not permit. The committee plans on supplying hot dogs to the event.

#### **Mackville Project**

The committee deducted \$6,053.44 from the left over budget of \$9,682.32 with a balance of \$3,628.88. \$3,584 of the \$6,053.44 was used towards new grills, benches, and a swing. The committee decided that the remaining \$3,628.88 will be used towards mulching the play system. 60 yards of mulch will be required to cover the play area. The committee discussed finding a person with a truck large enough to carry this amount of mulch. Rhonda suggested contacting All Metals Recycling. Holly mentioned contacting McNally Trucking out of Johnson Vermont. Holly shared concern that the play system may not be completed by the end of this fiscal year, which would cause disruption in the next fiscal year budget. Joe suggested pre-ordering the mulch and collecting it once the system is built.

Susanne requested \$150 budget to purchase Canadian Geese deterrent such as wind sculptures. The present committee members discussed, with a decision to decline the request at this time.
