**Ice Rink Update**

Holly reported that the ice rink at Atkins field has been caution taped due to a hole in the rink. The rink will need to be patched before next winter in order to be used. She did suggest for those looking to use an ice rink to use the one in Woodbury. It has been well maintained and is a beautiful alternative.

She reported that the ski program has officially begun. She is still working with Reach to figure out a safe way for the swim program to be put on this year.

**Other Business**

Holly mentioned that the swings for Mackville have arrived and are in storage until spring when the committee can set them up. The theater system has arrived and will be stored in Shaun Fielders office until the committee can use it.

The Committee has decided to wait until there is a new coordinator to plan further events
