

Manager's Report

- SE Group will be submitting a cost proposal for the design phase of the Pedestrian Bridge. Once we receive this and approve the proposal, we can sign contracts to begin work.
 - The paving project for the class one highway portions of the downtown will begin in May. The community needs to plan ahead as this will likely cause some disruptions in traffic for the duration of the project.
 - The Town Manager's office submitted a \$1M Congressionally Directed Spending (CDS) request for the Wastewater Treatment Facility upgrade.
