**Couple of new changes:**

- 1) The Department of Liquor & Lottery now requires applicants to apply and renew applications online, there are no longer paper applications to present to Selectboard or have signed with approval/denial. The approval process is based on Selectboard Meeting Minutes. After approval/denial decision Town Clerk logs onto DLL website and marks online application decision.**
- 2) During the process of transitioning to the online portal the DLL reviewed all process relative to the issuance and renewal of licenses and permits and that contrary to current practice, Tobacco Licenses and Tobacco Substitute Endorsement must be submitted to the local governing body of the municipality first.**

**NU Beverage LLC is a new business who recently purchased M&M Beverage located at 308 Vermont Route 14 South. We have no cited incidents involving the above businesses.**
