

Help vision the new pedestrian bridge and riverfront park!

HARDWICK PEDESTRIAN BRIDGE + PARK

Public Visioning Survey

We need your input on preliminary design options for the Hardwick pedestrian bridge replacement, and your thoughts and ideas for the park spaces on either side of the bridge. The community visioning process will identify opportunities, challenges, and desired uses of the park spaces to develop a concept plan in line with community values, and select a bridge design to move forward with!

Please take the survey by using the QR code or visiting hardwickvt.gov.
