

To Whom It May Concern:

I am writing this letter to convey my interest in joining the Hardwick Conservation Commission. As a Certified Arborist, I have a deep professional interest in trees and our interactions with them, it is in this regard that I think I can best serve the commission. As a resident of East Hardwick and more importantly, as a father, I have a deep personal interest in doing what I can to protect and preserve our towns natural resources and green spaces. I look forward to giving back to the community in this role.

Sincerely,
Geoff Fehrs

New changes:

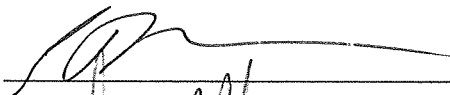

- 1)The Department of Liquor & Lottery now requires applicants to apply and renew applications online, there are no longer paper applications to present to Selectboard or have signed with approval/denial. The approval process is based on Selectboard Meeting Minutes. After approval/denial decision Town Clerk logs onto DLL website and marks online application decision.**
- 2) During the process of transitioning to the online portal the DLL reviewed all process relative to the issuance and renewal of licenses and permits and that contrary to current practice, Tobacco Licenses and Tobacco Substitute Endorsement must be submitted to the local governing body of the municipality first.**

**Certification of Compliance
for
Town Road and Bridge Standards
and
Network Inventory**

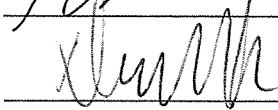

We, the Legislative Body of the Municipality of Hardwick certify that we have reviewed, understand and comply with the Town Road and Bridge Standards / Public Works Specifications and Standards passed and adopted by the Selectboard / City Council / Village Board of Trustees on July 18, 2019.

We further certify that our adopted standards do do not meet or exceed the minimum requirements included in the June 5, 2019 State-approved template.

We further certify that we do do not have an up-to-date highway network inventory which identifies location, size, deficiencies/condition of roads, bridges, causeways, culverts and highway-related retaining walls on class 1, 2, and 3 town highways, and estimated cost of repair.
