**Discussion on trainings & community programming**

Lucian proposed going ahead with the training we planned for evening last month but since the people of color do not feel safe here maybe we could add a discussion of that. This would be a presentation about Juneteenth, a discussion about why black folks decided not to do the panel planned last month, then a community discussion about Juneteenth and adjacent issues.

Lucian sent a draft e-mail to Ceilidh to figure this out with Bella Fern. Ceilidh will let everyone know the date they figure out as soon as possible so we can get "save the date" out ASAP.

We had lots of discussion about doing a movie series now or soon.

**Old & New Business**

None

**Adjourned: 7:04**

Respectfully submitted,  
Lucian Avery, Secretary
