Adaptive Bike Program:

This program is currently on hold due to the flooding this summer and the LVRT being damaged with the flooding. Pending plans is to have these events in Hazen Union's parking lot through September 2023. Tod Delarichliare through Hazen has already approved for these events to happen.

Mackville:

Sign is on hold due to flooding and complications with scheduling to set up. The wood has been cut for the sign, though it still needs to be stained before putting it up.

Bike Rodeo:

Hopeful to be hosted in mid- September. Possible places to have this summer: Atkins field on a Friday with farmers market, Hardwick fire department building. Jason is going to coordinate with the bike tech program through Hazen Union. Jason will speak with Kiwanas Club about the previously purchased bike helmets and safety gear about using the items for this year's bike rodeo.

Swim Lessons:

Unfortunately, there was a mix up with the first invoice for this year's swim lessons at Caspian Lake, and the town of Greensboro was billed for all 50 kids. The second week of swim lessons is postponed due to Caspian Lake coming back positive for E-Coli, and has been

rescheduled to the week of August 21st, 2023. Sabrina from Swim USA will be submitting a new corrected invoice for the first week.

Hardwick Recreation Committee motions to approve the expenditure to pay \$20.00 for each child that participated in the second week of swimming lessons that are happening at Caspian Lake that Greensboro Recreation Committee had committed to. Samantha C motions to approve, Emily V seconds the motion and all were in favor.

Thoughts for swimming lessons for Summer 2024: Combine the town of Hardwick and the town of Greensboro onto one contract.

Movie Night:
