

Manager's Report

- Daniels Block side of the park will likely need more funding. Our Community Development Coordinator is actively looking for grants for several town projects and this has been included in her list.
- Police Chief Advertising: We advertised in several local newspapers, a national website and municipal support organizations in NH, ME and NY. The posting will be active until January 15.
 We are also advertising for patrol positions as well. Staffing is and will continue to be an issue for 24-hour coverage. The Chief, and our current staff, continue to work hard to continue the 24-hour coverage so please thank them for their dedication to the mission.
- December 11 opening/closing of the emergency shelter and post flood follow-up (12/12). The Civic Standard and Hardwick Neighbor to Neighbor group are key community organizations in this effort. Special thanks to all involved.
- EPA Region 1 (Boston) Wastewater Treatment Facility Operator of the Year was awarded to Ken Lacasse. Ken will be presented with his award on Wednesday, January 24 at the New England Water Environment Association's (NEWEA) awards banquet in Boston, MA. Congratulations Ken!
- Generator is running again at the WWTF. This will eventually be replaced, but due to the current supply chain and ongoing flood recovery work, we needed a standby generator. A local mechanic from a local business, who has experience with CAT equipment, tackled this project and was successful. Special thanks to Chad Trudeau and Gates Salvage for deviating from normal operations to help out the Town.
