To: Vermont Arts Council – Cultural Facilities Grant Review Committee

Dear Review Committee,

On behalf of the Town of Hardwick, I am writing to express strong support for The Civic Standard's application to the FY2026 Cultural Facilities Grant program.

The Civic Standard has become an invaluable cultural and civic asset to our town, fostering community connection through performances, community suppers, workshops, classes, and youth engagement. Their inclusive and creative programming strengthens the social fabric of Hardwick, and their accessible Main Street location provides an essential gathering space for residents of all ages and backgrounds.

We are especially supportive of their proposed project to construct an ADA-compliant accessible bathroom in their new facility. This improvement is urgently needed to ensure that all Hardwick residents, particularly elders and individuals with disabilities, can fully participate in Civic Standard events and programming. It aligns with our town's shared goal of increasing accessibility and promoting community-wide inclusion.

The Town of Hardwick recognizes The Civic Standard as a trusted partner and fully endorses their efforts to improve their facility for the benefit of our greater community.

Thank you for your consideration of this important project.

Sincerely,
