Presentations & Community Q&A
Light Snacks Provided

Weekly Topics Include:

September 3 • *Dredging Rivers* featuring Roy Schiff from SLR International Incorporated and Shayne Jaquith from The Nature Conservancy

September 10 • *Beavers & Natural Infrastructure* featuring Tyler Brown from Fish & Wildlife and Erin Rodger from Trout Unlimited

September 24 • *Dam Removal & Rivers* featuring Karina Dailey from Vermont Natural Resources and Kassia Randzio from Vermont River Conservancy

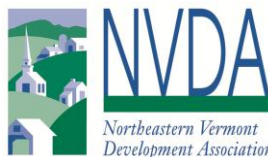

October 1 • *Climatology & the Future of Vermont's Watersheds* featuring Lesley-Ann L. Dupigny-Giroux, Ph.D. from the University of Vermont and the VT State Climatologist

Everyone lives in a watershed. Whether you're rooted in the land or just beginning to explore your connection to it, join us to see how water connects us and how our choices shape the future here in Hardwick. Come learn, ask questions, and be part of the solution. **Let's shape our future together.**

HOSTED BY THE TOWN OF HARDWICK
