#### **Swim Program:**

- There was a discussion about offering a scholarship for those who might need help with swim costs. This was difficult for the RAC program to cover. They needed to pay the full cost for each of their attendees. Mallory will talk with Sabrina about getting the scholarship information put on the swim flier. It is hard to work with the summer RAC program as they are uncertain about their funding until July 1st.

- Mallory was told that Tom Fadden was working on the skating rink.

#### **New Business:**

- The letter of support for the Buffalo Mountain Town Forest Project has been submitted and shared with the Select Board.
- Mallory will look into talking with Mallory Billings about the NEK Runners Club to help with the 5K on Memorial weekend.
- The movie screen is missing. Several people have borrowed it and it has not been returned to the closet in the Community Center building. Opie is trying to locate it.
- Egg Scramble: we would like to offer breakfast to the community and team with The Civic Standard. Sara is going to contact Hazen to see if we may use their kitchen for the event. We discussed offering pancakes, syrup, coffee, tea, and hot chocolate for breakfast.
- Green up day-Joe said we can expect some help from the Conservation Board for the day.
